

**APPLICATION INFORMATION AND DEADLINES**

Return completed application packets **by November 15, 2017**. Consideration will only be given to COMPLETE packets. **PRORANGER LAW ENFORCEMENT PROGRAM**

**APPLICATION INFORMATION AND DEADLINES**

ProRanger is a new academic and internship based intake program for National Park Service Law Enforcement Rangers. This two-year program is a collaborative partnership. ProRanger provides training and professional development during the school year and paid NPS internships during the summer. We will help you explore the NPS, develop skills and abilities and provide you with the necessary experience toward becoming a full-time NPS employee. If you are looking for a career – not just a job, if you are willing to push and challenge yourself more than the average student, if you want to be the next generation of NPS Rangers – then apply to be a ProRanger.

**ELIGIBILITY INFORMATION**

Applicants to the ProRanger program should be dedicated, serious individuals who can demonstrate their potential in and outside the classroom. To be eligible for the ProRanger program you must be:

- US citizen or national
- At least 19 years of age (at or before May 2016) and no older than 37 years of age (veterans exempted)
- Enrolled student in an accredited undergraduate or graduate program (open to a wide variety of programs and certificates)
- Meet medical and physical fitness standards (contact ProRanger Program Manager for details)
- Have a favorable background check (including security clearance, drug tests and criminal history)
- Willing to make a two-year commitment to the NPS ProRanger Program

**REQUIREMENTS FOR PARTICIPATION**

- Remain in good academic standing (2.5 GPA or higher) with at least half-time course load
- Participate in the program in consecutive semesters including summer
- Participate in workshops, seminars and professional development activities during the academic year
- Participate in summer internships including professional development
- Willing to relocate and travel during summer internships
- Achieve satisfactory yearly performance reviews

**APPLICATION INFORMATION**

The ProRanger program selection process requires an Application Packet. The packet gives you an opportunity to provide additional information and input to help us understand your overall personality and potential. The packet should convey your knowledge, skills, abilities, and experience and help us understand why you are a ProRanger candidate. Following the review of packets, applicants may receive an invitation to interview. Applicants can mail the application to the ProRanger Program Manager or they can scan and email the entire application and email it to [lavell\\_merritt@nps.gov](mailto:lavell_merritt@nps.gov). Packet must include:

- Application (one page ProRanger form)
- Resume (open format)
- Questionnaires completed (questions provided)
- 3 letters of recommendation, one educational, one family and one from another category (utilize ProRanger Letter of Recommendation form)
